# ALL ABOUT ALUMNI

- Over 40% of IAI A's 3,800 plus alumni are working artists; others are teachers, tribal and community leaders, and entrepreneurs.
- Every major contemporary Indian art exhibit contains IAI A alumni included as exhibitors or curators.
- Twenty percent of IAI A graduates have earned a Master's degree. Nationally, American Indians receive .4% of all masters degrees. (that's point 4 %)

*By learning to link  
the best in Indian  
culture to  
contemporary life,  
the young Indian is  
able to solve his own  
problems and enrich  
the world in the  
process.*
