Southern University at Shreveport

“Creating Partnerships that Change Communities”

HUD HBCU National Conference
October 17-19, 2007
Dallas, TX
Southern University at Shreveport, an institution within the Southern University System, seeks to provide a quality education for its students, while being committed to the total community. This institution prepares students for careers in technical and occupational fields; awards certificates and associate degrees; and, offers courses and programs that are transferable to other colleges and universities. Dedicated to excellence in instruction and community service, this open enrollment institution promotes cultural diversity, provides developmental and continuing education, and seeks partnerships with business and industry.

Division of Community and Workforce Development

Community development has two basic goals: first, to improve the quality of life of all members of the community and, second, to involve all members of the community in the process. It is believed that this can best be accomplished by raising the knowledge level of all members of the community through better education.
Community and Workforce Development

- Department of Community Education
- Department of Workforce Training
- Department of Incumbent Worker Training
- Department of Community Development
- Department of Intake Assistance and Supportive Services
Community and Workforce Development Core Values
