Who We Are!

“Fort Peck Community College”

English:

Fort Peck Community College

That's who we are

Grandfather that who is sacred likes this

The buffalo chasers look back at us and are
smiling as they go

Assiniboine:

Fort Peck Community College zhe ungeyabi no

Mitugashi dagu skan skan iyogipiye no

Watapebi hagik dabi ixachiya yabino

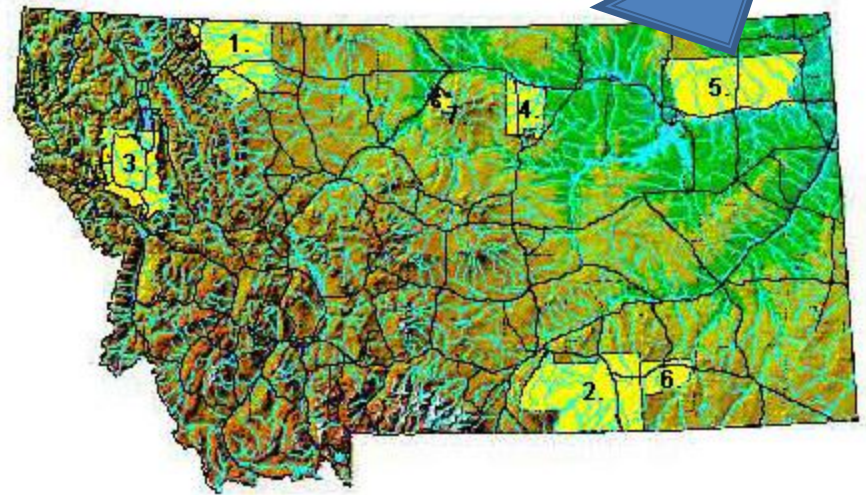

Song Created by Robert Four Star (2006)

Current HUD Project Library/Information Technology & Community Learning Center

- An open veranda will welcome students & visitors to the 6,000 sq. ft. Library with private study carrels, wireless network, digital resources and hard copy books for entertainment and study.
- A large community classroom will accommodate students, faculty, staff, and community members with digital resources, computer technology and a quality learning space for study and remedial education.
- This phase of construction has been designed to add on the IT Center in future funding cycles as well as an Auditorium and Tribal Archive Center.

A modern, state-of-the-art facility to serve the needs of students, faculty, staff and community members for generations to come.

Library/Information Technology & Community Learning Center

- Campus Main Frame
- Local Community Broadcast Station
- Eco friendly
- Climatically Controlled Tribal Archives
- 8,500 square feet

IT & Archives Center

Projected Start Date: August 1, 2012

HUD-TCUP = SUCCESS@FPCC

Fort Peck Community College has spent the past three decades investing and enhancing its academic and vocational offerings. The board members and administrators continue to recognize the need for expansion of the college's physical facilities and student amenities to attract and accommodate more students from a larger geographic region.

Past and present HUD-TCUP grant awards have enabled Fort Peck Community College to continue to serve our students, the immediate community as well as those outside our service area.

Pidamiya from F.P.C.C.!
