

**HUD TCUP
Construction and
Renovation Project**

The Northwest Indian College HUD – TCUP Renovation and Construction Projects

Total HUD-TCUP Award \$750,000 — Total Construction Cost \$3 million

\$535,000 Construction Project

Objective 1: Center for Student Success

Design and Construction of a 10,000 square foot Facility that provides the "One Stop-Shop" for all student support services directly to new and ongoing students. The HUD TCUP grant is supplemental to a Department of Education Grant Title III Program funding for \$960,000. Capital Campaign funds were contributed to complete construction and add furnishings, fixtures, and equipment to the Facility.

The following activities are provided in the facility:

- Academic Advising
- Admissions
- Computer Stations
- Enrollment Services
- Financial Aid
- GED/Placement Testing
- Recruitment
- Registrar
- Student Activities
- Student Services Administration

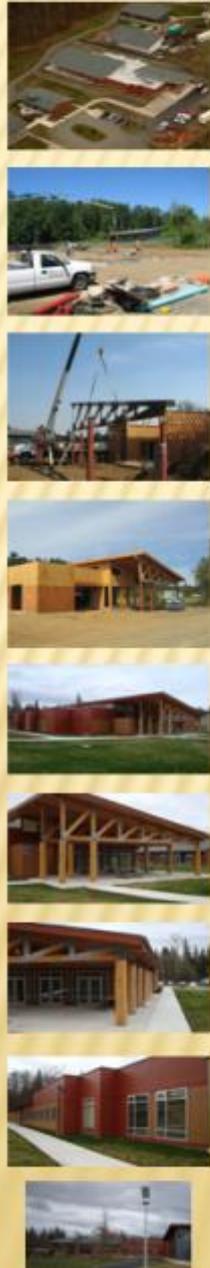

\$215,000 Renovation & Maintenance Project

Objective 2: Renovation of Campus Facilities

Renovation and Maintenance work to the North South Campuses to improve the exterior and interior building surfaces, enhance aesthetics, address ADA needs, replace mechanical equipment, improve the life span of older facilities, and provide for safer environment.

The following activities were completed in the Renovation and Maintenance program:

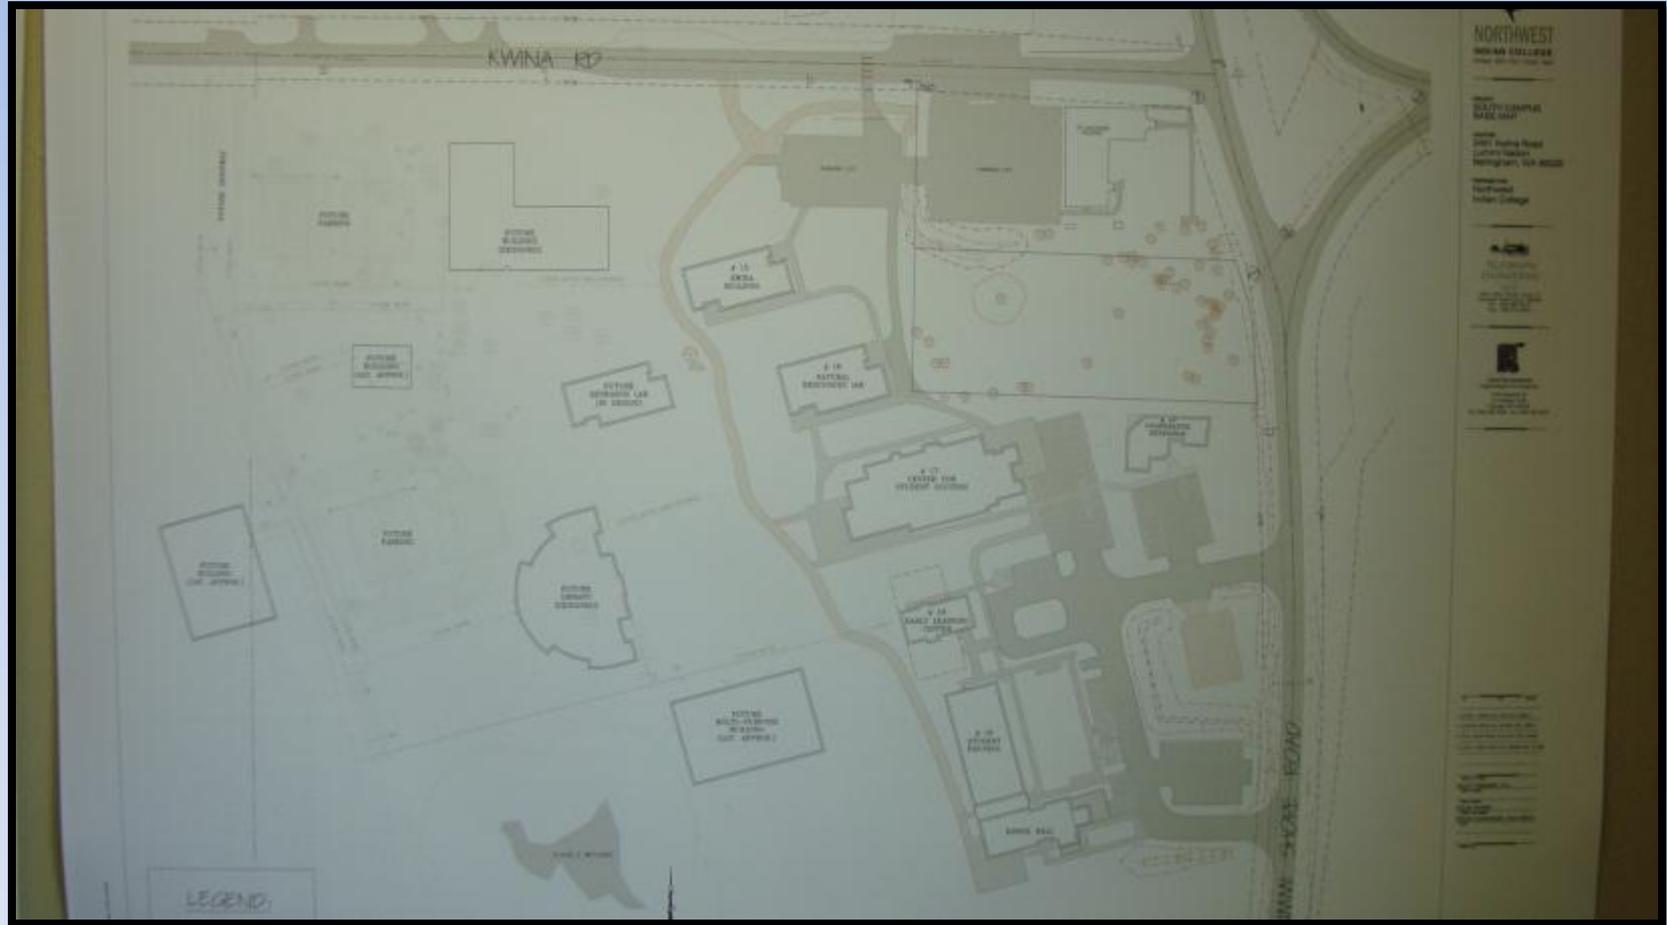

- Window Replacements
- Exterior Door Replacements
- Paint Building Exteriors
- Repair/Replace HVAC Systems
- Repair/Replace Roofs
- Handicapped Ramp
- Duct Cleaning
- Interior Light Retrofits
- Solar Outdoor Lighting
- ADA door retrofits
